## A.R.E.A. Ratings for Games Contested at the World Boardgaming Championships

### What is AREA?

First and foremost, AREA is a system that helps to set levels of gamer's competence on each individual game played. This rating system starts a player at an entry level number (5000) and increases or decreases based on games played and submitted. Each AREA rating is based on wins or losses of a specific game. As you win, (or lose), your rating is recalculated to reflect your new standing or rating in that specific game.

If a game you play here at WBC does not have AREA ratings, that means either:

- 1) Your event is new and has not had previous tournaments run, or
- 2) Your WBC GM has not been submitting tournament results in recent years

### Reporting Results To AREA

If your WBC GM does not appear to be submitting tournament results to AREA, let the GM know you would be interested in seeing the event AREA rated, and even volunteer to submit the results for the GM. All that AREA needs are the results of all the games. AREA either needs the names of the players in each game, or their WBC badge numbers, as well as the order of finish for the players in each game.

Glenn Petroski is AREA's WBC liaison and is who should be sent WBC results.

Results may also be emailed to myself to be forwarded to AREA at:  
bdmonnin@nktelco.net

### Explaining AREA Ratings

A new player in the AREA rating system starts out with a rating of 5000 for each game. Wins are worth approximately 100 points which the winner gains and the loser drops. This amount is less than 100 points if a higher rated player wins and is more than 100 points if a lower rated player pulls off an upset. In multi-player games the winner gains approximately 100 points and the losers' ratings drop by approximately a combined 100 points.

**Inactive Ratings** - When no games have been played that have been reported to AREA for a period of four years, a player's rating is considered *INACTIVE* and is not counted in the active ratings.

If you wish to see all of your personal AREA ratings at any time, they can be found at the AREA website at:

<https://area.kww.us/area/>

### Ratings In Booklet Were Taken From AREA Website in February 2021

### Hand Over Results At WBC

Another way to report results to AREA is to hand over the information to Bruce Monnin at WBC. Bruce is a former member of the BPA Board of Directors and thus is likely to attend the official BPA meetings on Tuesday and Sunday. He is also GM for the Pro Golf tournament Thursday night. He can probably be found Sunday morning playing Attack Sub.

Simply hand him your tournament results and Bruce will make sure they are taken care of properly. Or, you can always mail or email your results to:

## Boardgamer Magazine PDF Files on CD

Relive the magazine that for 10 years kept alive the tradition of The GENERAL. The Boardgamer was the magazine for articles of old Avalon Hill / Victory games as well as other games contested at the time at the World Boardgaming Championships.

Scanned copies of back issues and guides of The Boardgamer magazine are available for purchase on a CD-ROM. They have been converted to PDF format and have gone through OCR text recognition.

**CD contains all 37 regular issues; the B-17, 1776, War At Sea, Panzerblitz and Panzer Leader guides; and a few Pro Golf courses. The CD costs \$35 (shipping is included in the price).**

For ordering details, visit the webpage at:

Or mail: Bruce Monnin, 177 South Lincoln St., Minster, OH 45865

## MMP's Winter Offensive January 13-16, 2022

Once a year MMP sponsors a tournament where the profits from raffle ticket sales, tee-shirt sales, and entry fees go to the World War Two Foundation. Outside of ASLOK, Winter Offensive is the ASL tournament to attend!

The 30th annual Winter Offensive will once again be at the Comfort Inn and Convention Center in Bowie, Maryland, conveniently located at the junction of U.S. 50 & U.S. 301.

Doors open at 5pm on Thursday, when the first of several ASL mini-tourneys kick-off featuring new scenarios. Open gaming is available on Thursday night, although space is often limited. The ASL Main Event starts Friday morning, space will free up Friday evening, and we are in full swing on Saturday morning when other mini-tournaments start!

Each year we auction off, raffle off and give away items like framed prints of box art, autographed baseball gear (jerseys, balls, etc.), games, and other donations. The raffle is on Saturday night, just after the traditional free pizza dinner.

**Deadline!**

In order for AREA results to make it into the booklet given out at the next year's WBC, it is best if they are received by New Year's Day.

With several events during February and March, time gets tight for the AREA volunteers. While we take results at any time, earlier is better to make sure your players see their results reflected in this booklet.

Send results to: [bdmonnin@nktelco.net](mailto:bdmonnin@nktelco.net), and/or [AREA1@att.net](mailto:AREA1@att.net)

## Hand Over AREA Results At WBC

Another way to report results to AREA is to hand over the information to Bruce Monnin at WBC. Bruce is a former member of the BPA Board of Directors and thus may be at the official BPA meetings on Tuesday and Sunday. He is also GM for the Pro Golf tournament on Thursday night. He can probably be found Sunday morning playing Attack Sub. Simply hand him your tournament results and Bruce will make sure they are taken care of properly.

**Deadline!**

In order for AREA results to make it into the booklet given out at the next year's WBC, it is best if they are received by New Year's Day.

With several events during February and March, time gets tight for the AREA volunteers. While we take results at any time, earlier is better to make sure your players see their results reflected in this booklet.

**Boardgamer Magazine PDF Files on CD**

Relive the magazine that for 10 years kept alive the tradition of The GENERAL. The Boardgamer was the magazine for articles of old Avalon Hill / Victory games as well as other games contested at the time at the World Boardgaming Championships.

Scanned copies of back issues and guides of The Boardgamer magazine are available for purchase on a CD-ROM. They have been converted to PDF format and have gone through OCR text recognition.

**CD contains all 37 regular issues; the B-17, 1776, War At Sea, Panzerblitz and Panzer Leader guides; and a few Pro Golf courses. The CD costs \$35 (shipping is included in the price).**

For ordering details, visit the webpage at:

**Deadline!**

In order for AREA results to make it into the booklet given out at the next year's WBC, it is best if they are received by New Year's Day.

With several events during February and March, time gets tight for the AREA volunteers. While we take results at any time, earlier is better to make sure your players see their results reflected in this booklet.

**BPA PBem  
Tournaments**

The BPA goes year  
round with PBem  
Tournaments for some  
games.

Details at the webpage:

[www.boardgamers.org/pbem.html](http://www.boardgamers.org/pbem.html)

**Deadline!**

In order for AREA results to make it into the booklet given out at the next year's WBC, it is best if they are received by New Year's Day.

With several events during February and March, time gets tight for the AREA volunteers. While we take results at any time, earlier is better to make sure your players see their results reflected in this booklet.

**Deadline!**

In order for AREA results to make it into the booklet given out at the next year's WBC, it is best if they are received by New Year's Day.

With several events during February and March, time gets tight for the AREA volunteers. While we take results at any time, earlier is better to make sure your players see their results reflected in this booklet.
