History of GMT's Conquest of Paradise • Th18-19 • Kevin McPartland

Designer Kevin McPartland's recently published *Conquest of Paradise* is a game of empire building in the "Polynesian Triangle" of the central Pacific Ocean. Players explore the unknown ocean, hoping to discover the most lucrative island groups, and colonize them. They build canoes and train warriors to create a force to defend their empire, while forging lines of communication with their developing discoveries. Find out where his ideas originated and what it took to get those ideas into print as a game.

What Wargaming Can (and Can't) Teach You • Fr14-15 • JR Tracy

ASL champion JR Tracy will take time out of his gaming to talk about the learning that comes from sitting down and pushing counters or cards around in historical scenarios. Whether you are trying to enhance your own learning opportunities, you are a parent, or you work with youth, this seminar is the perfect opportunity to find out how to integrate gaming into the educational experience.

Would Wargamers Make Good Politicians? • Fr16-17 • Nick Palmer

Nick Palmer, member of the British Parliament, will fly across the Atlantic Ocean to examine the characteristics that make a good politician and how they overlap with the characteristics that make a good wargamer. (Okay, he's really coming to defend his *Diplomacy* title, but doesn't the other reason sound more business related?) Find out if you have what it takes to run for and win a political office.

Wargaming as a Career Choice • Fr17-18 • Don Chappell

Don Chappell will discuss Operations Research and Systems Analysis as a career choice. The presentation will cover how games are used as analysis tools, compare computer simulations with wargaming, review the education and training required of an ORSA analyst and where to find ORSA jobs, identify ORSA Professional Associations, and explain what an ORSA analyst does in a typical day and the frustrations involved with being an ORSA analyst.

Wits & Wagers Game Show • Fr20-22 and Sa20-22 • Dominic Crapuchettes

Take a break for this 90-minute trivia event you can win without knowing any trivia by betting on the best answer provided by another team. Seven teams of from 4 to 10 players compete to win prizes. Bring your own team or form one when you get there. No need to learn rules beforehand—just show up and play! Win funny money for having the smartest team, best team name or simply for making the hosts laugh! You can use North Star Funny Money to purchase North Star Games products.

The Real National Treasure – a Good Die-Cutter • Sa11-12 • Steve Rawlings

Steve Rawling, publisher of *ATO Magazine*, talks about one of the most critical elements of game manufacturing, the successful creation and die-cutting of game pieces. Make sure to attend if you've ever thought of publishing your own game or if you are interested in what goes on behind the scenes to bring your favorite games to the table.

How to Grow the Hobby • Sa12-14 • Keith Levy

Keith Levy, president and founder of Games Club of Maryland, has been working to share and grow the hobby of gaming for more than 12 years. Under Keith's leadership, GCOM has become the largest group of affiliated clubs in the Western Hemisphere, with more than 30 locations spanning across hundreds of miles. The seminar will cover how to organize volunteers, ways to assemble a game inventory, what gaming supplies and equipment are required, considerations when selecting sites.

Election Games in an Election Year • Sa15-16 • Jason Matthews and Erik Arneson

Game designer Jason Matthews, a die-hard Democrat who is chief of staff for Louisiana Senator Mary Landrieu, and Erik Arneson, a writer for About.boardgames.com and die-hard Republican staffer for the PA legislature will take time during this election year to discuss various election games. (They will undoubtedly talk politics, too!) You won't get an opportunity like this for at least another four years. Don't miss this presentation!

Online Gaming on Brettspielwelt • Sa18-19 • Jeff Bakalchuck

BrettSpielWelt (BSW) is a large, popular German online gaming portal. It contains more than 50 popular classical and modern board games and card games, including *Carcassonne, Can't Stop, Lost Cities,* and *Settlers of Catan.* The portal is independent, non-commercial and free from advertising. Jeff "The Boomer" Bakalchuck has developed *brettspielwelt.info,* a site for the English speaking gamers on BSW. Get familiar with online play of Eurogames!

Charles S. Roberts Awards Presentation • Sa19-20 • Allan Rothberg

The Charles S. Roberts Awards are presented annually for excellence in the historical wargaming hobby. Charles S. Roberts was a designer and the original owner-operator of The Avalon Hill Game Company. He invented the modern wargame industry almost single-handedly. Allan Rothberg, one of the executive directors for the award committee, will recognize the 2007 winners.

BPA is an association of boardgame enthusiasts incorporated as a non-profit company in the state of South Carolina for the express purpose of hosting the annual gaming conference known as the World Boardgaming Championships, or WBC for short. It offers tournaments, vendors, an auction, demonstrations, seminars, open gaming, and Juniors and Teen programs. In addition, for those who can't get enough, we offer six focused Pre-Cons immediately before WBC. We do other things, such as mini-cons and e-mail tournaments, but our raison d'etre is WBC. We love boardgaming competition — from wargames and Eurogames to racing, sports, and rail games, and we make no apologies for it. It's what we do. And we do it better than anybody else. To find out more about our activities spend some time on our website at *www.boardgamers.org*. You'll find more pre- and post-event information than any place on the net — over 300 pages of it. It's not very lucrative or cost effective, but we think it demonstrates our commitment to this hobby.

You can help continue this madness by taking a moment to subscribe to our FREE e-mail newsletter via the web site. Plus, send our Web Master information about your local club site. Finally, continue to spread the good news about our association and its activities by bringing your fellow gamers to the best week of gaming all year!.

Welcome to the 10th Annual World Boardgaming Championships! It's hard to believe that it's been 10 years—plus eight additional years at AvalonCon—that we've been bringing together old friends and new for a week of gaming each summer.

Many things have remained the same at WBC. We are still a gamer's convention, run for boardgamers by boardgamers, with no middleman involvement. Further, long an afterthought elsewhere, tournaments remain king at WBC. No one applauds the victors, previews upcoming events, or schedules your week in advance any better than we do.

Other things we are constantly working to improve. This year, we've broken the Yearbook and Program into separate documents. This ensures that we can memorialize events of the previous year, without giving short shrift to the current year's convention schedule. Another advantage is that the program will easily fit in your pocket to better keep you gaming. Further, we've added new open gaming space (page 3)—even a room for monster gaming—and will be offering new seminars—including several sessions for non-gaming spouses.

You'll notice that events don't begin until 10 am on Wednesday. We're holding a Breakfast for our GMs to offer appreciation and give them a final briefing to prepare them for their responsibilities. (Attendance by reservation only.)

The major renovation project at the Host is complete. We will be taking advantage of additional meeting rooms, including Host A and B and Laurel Grove and the lobby off hotel registration. We will not use Wheatland this year because of its conversion to Stitches Comedy Club (open Friday and Saturday nights) or Lancaster, as it is now being used as a children's play room.

Finally, here are a few ideas to help you have a good convention experience:

- We offer many resources on our website to enhance your convention experience. The Host will again offer free wireless internet connections to help you take advantage of these resources at the convention;
- Bring the games you want to play. If not enough games are avaiable for tournaments, players must be turned away; and
- Remember that this convention is about having fun. Sportsmanlike-behavior helps everyone have a better time.

Kaarin Engelmann, Asst. Convention Director

Those who attend the convention via Guest Pass are not BPA members. For details on membership terms and conditions, see *boardgamers.org/bpaterms.htm*.

Teach Problem Solving Techniques With Games • Tu17-18 • Sean McCulloch

Dr. Sean McCulloch, Associate Professor of Computer Science at Ohio Wesleyan University, will investigate ways in which games can be used to teach problem solving techniques in a high school/college classroom. Specific examples and demonstrations will be used. The examples will come from college-level Computer Science classes, but should be applicable to high school (or interested middle school) students.

How To Use Boardgames in Staff Training • We10-14 • Jon Lockwood

Dr. Jon Lockwood, a professor at the National War College, will run a "what if" discussion and demonstration staff simulation of the battle of Gettysburg in which two competing "staffs" of up to 10 players each will plan and fight the first day of the Gettysburg campaign using a blind simultaneous movement system with a referee. It will introduce the factors of limited intelligence, "fog of war", and "friction" and allow you to change the overall operational strategy and tactics for either side from what they were historically.

Spouse Program (Sit & Stitch) • We15-16, Th15-16, Fr15-16 • Tamara Houde

Are you not quite as enthusiastic about gaming as the crew you accompanied? Or perhaps you are just ready to clear your mind. Bring along your sewing, knitting, crocheting or just yourself and enjoy the camaraderie. Tamara will bring extra supplies and patterns for anyone who wants to learn or pick up a new project. Make connections for the rest of the week and coordinate excursions (with or without children) outside the hotel, including plays, shopping, or mini-golf.

Gaming & Ethics • We17-18 • Joel Tamburo & Kaarin Engelmann

A follow-up to last year's open discussion about how the ethical standards we use in our everyday lives project into our gaming lives. For example, how do our everyday ethics affect the "stab" in games like *Diplomacy*? Joel Tamburo is owner and moderator of an online discussion forum for theological issues and is completing pre-ordination collegiate studies. Kaarin Engelmann is Assistant Convention Director and a BPA Board Member.

Probability & Decision Making • We18-19 • Chris Yaure

This year's seminar will focus on two-player game theory, including zero-sum games, pure and mixed strategies, Nash equilibrium, minimax theory, and decision-making with uncertainty. Participate in simulations and discuss approaches to analyzing games played at the WBC. Chris Yaure is an insurance professional who uses basic probability theory and statistics to analyze the value of complex insurance claims. He looks forward to talking about the math behind the games.

Primer on Buying, Selling, and Trading Games • We19-20 • Bill Thomson

Bill Thomson runs the Wargame Academy, a resource for historical boardgame simulation, and serves as the GM for *Squad Leader* at WBC. He'll talk about which games you should buy, sell, or trade; how much they are worth; and how to get a good deal. When should you use e-bay versus an auction, trade, or garage sale? What did you miss out on at the auction on Tuesday? Plan your strategies for the next auction you attend. Attending this seminar will give you the advantage!

Secrets of WargameRoom.com • We20-21 • Bruce Wigdor

Get the scoop on Bruce Wigdor's terrific Wargameroom.com site for play of card-driven and block games. One strong aspect of Bruce's programs is that they know and enforce all the game rules (in fact they facilitate learning the rules!), so you and your opponent can just concentrate on strategy. Bruce stays very active in updating his programs and running Wargameroom.com leagues. This seminar offers the chance to get the scoop from the man behind the site.

WBC 2007 Video • Th11-12 and Fr11-12 • Debbie Gutermuth

Debbie has assembled photos from last year into an outstanding video with music that will help you relive those good times while creating new ones at WBC 2008. There will be no presentation--the video will simply be available for viewing during these times. We appreciate the time Debbie took to put this together and hope you enjoy it during one of your lunch breaks during the week. (Remember, you do have to eat to keep up your strength for gaming!)

Modeling Conflict Between Allies in a 3-Player War Game Using Savannah 1779 • Th16-18 • Mark Miklos

Designer Mark Miklos will review the Battle of Savannah with emphasis on the dynamics of the Franco-American alliance (French arrogance and American mistrust were manifest and our discussion will look at many specific examples), examine the award-winning *Battles of the American Revolution Series* core game system and how it was modified to reflect the nuances between the Allies—including initiative, momentum, diversion and stacking rules, and look at the innovations that were grafted onto the core system to make *Savannah* a unique 3-player game—in particular, the concepts of separate army morale and Random Events.

Where:	Lancaster Showroom, Lancaster Host

BPA's Auction and Auction Store are services for our members who want to sell or buy long-out-of-print games at what is perhaps the largest gathering of the players of those games on the planet. The Store will be on one side of the Lancaster Showroom, next to the Auction. Thus, it will be possible to check out the Store during the Auction without missing any of the bidding for games in the auction itself. *All items for sale in both the Auction and Auction store must be pre-registered.*

SCHEDULE: As much as possible, the auction staff will follow the printed schedule and group auction offerings by theme. *Exceptions will occur since we cannot control when items are delivered. The Boardgame Player's Association Annual Meeting will take place at 3 pm, when the Wargame portion of the auction is over. Immediately after the conclusion of the meeting, the remainder of the auction will take place. Auction store prices will change at noon and 2 pm.*

AUCTION BUYERS: Bidding is limited to those with a current WBC badge. Every bidder needs an official Bid number. They are $1 each and will be available 10 minutes prior to (and during) the auction from the Auction staff in Lancaster Showroom. All bids must be in $1 increments. Auctions proceed quickly, so bid loud and clear. If the auctioneer can't see or hear you, it's your fault. The auction staff will be bidding as well. Please feel free to bid against them.

ITEM DESCRIPTION: Lots offered for sale will be defined by the seller as being in one of the physical condition categories: *Shrink wrapped, Unpunched But Opened/Complete, Punched Complete, Punched No Idea As To Completeness, Punched and Missing, Other.*

CAVEAT EMPTOR! (BUYER BEWARE): We do our best to accurately describe items up for bid, but we are not responsible for mistakes or missing components. Buyers agree to hold BPA and its auction staff harmless in the event of disputed merchandise. All sales are final!

CASH ONLY: In God we trust, all others pay cash. When you win or purchase an item you must come forward to pay the cashier and claim your purchase immediately. We do not accept checks or credit cards. Buyers who fail to complete their purchases promptly in the view of our cashier will forfeit the item.

TABS: *Tabs are only available by special arrangement with the head auctioneer* and will require a non-refundable cash deposit, which will be credited towards purchases; unused balances are lost. See the head auctioneer PRIOR to the start of the auction. All Tabs must be settled, IN CASH, immediately after the auction. Any questions pertaining to this policy should be directed to the auctioneer at *auction@boardgamers.org.*

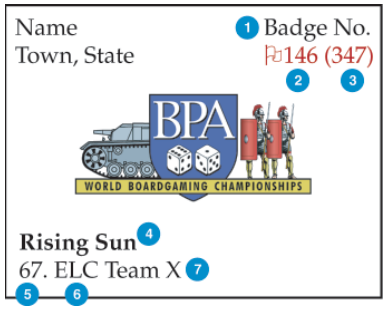
UNSOLD ITEMS: Sellers must pick up any unsold items between 4 and 5:30 pm on Tuesday. Staff will not secure items after that and will treat any remaining items as abandoned.

SELLER PAYOUT: Sellers are responsible for collecting their proceeds and unsold items promptly. Auction Store Sellers receive the sales price minus an amount determined by the fee schedule. Auction Sellers receive 85% of the sales price, rounded to the nearest quarter. Payouts will be available from the convention registration desk by showing badge and identification number by noon on Thursday and will remain available during registration hours. Amounts unclaimed by 12 pm on Sunday are forfeit to the BPA.

opens at 8 am. It closes nightly at 9 pm and at noon on Sun., Aug. 10.

Registration for the entire WBC costs $80 at the door. (Pre-Con costs are additional.) Costs are reduced $10 per day as the Conference proceeds. One-day Guest badges are available, but they allow play only for the designated day. Prizes won with a one-day badge must be claimed the same day. Registration is required for Open Gaming. Spectators are admitted free. Children 12 and under who participate only in Junior Events are admitted free if accompanied by a paying adult.

BADGES: Attendees must display their badges at all times to participate in Open Gaming and tournament play and to buy or sell at the auction. Badges contain the following information: 1. badge number, 2. Laurels earned in the previous year, 3. total Laurels earned, 4. limitations or privileges of the badgeholder (e.g., pre-cons), 5. team number, 6. team game, and 7. team name. Bring a badgeholder from a previous year or pay $2 to obtain a new one. Security has the right to eject players who do not display a badge.



OPEN GAMING: Official Open Gaming begins at 6 pm on Tuesday. Open Gaming locations are the Hotel Lobby at street level and in the Ballroom Foyer (downstairs) for all multi-player gaming, Vista C and D for all two-player gaming, and Laurel Grove for "Monster" games—multi-map, multi-day games. **NOTE: As a result of its location next to the restaurant, gaming in Vista C and D MUST be quiet.** Inquire with the Convention Registration Desk about availability in Laurel Grove. ***Ballroom A is also available for Open Gaming from Tuesday at 6 p.m. through Thursday at 5 p.m.***

Open Gaming may not spread into tournament areas at any time! A whiteboard is located outside New Holland to help coordinate open gaming and redirect overflow. No games may be left unattended in the Open Gaming area between 9 am and midnight. Any such games will be removed. Further, Open Gaming space may not be reserved by stacking games or belongings on tables. Tables designated for Open Gaming must be in active use or available for use.

TOURNAMENTS: WBC stands out primarily due to its high quality tournaments. Most events have unlimited entry, although some multi-player games require even multiples of players. If you are present at the starting time with a badge ***and a copy of the game***, you will usually get a spot in the event. You may play without a copy of the game only if sufficient copies are provided by others to accommodate you. ***Several tournaments have had to turn away players because there were not enough copies of the game to accommodate them. Bring a copy of the games you want to play!***

Scheduling: Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight or reconvene before 9 am without the consent of all remaining players. Some events can accommodate late arrivals. Talk with the GM if you have questions.

Finals may be rescheduled by the GM at the mutual convenience of the finalists, with the printed default time used if all players cannot agree on a mutually beneficial time.

We encourage attendees to play in as many events as possible. ***Do NOT, however, play in more than one event simultaneously!*** Do not ask a GM to make an exception for you. ***Above all, do not drop out of a multi-player game before it is finished.*** If an event is approaching its time limit, you have a right to ask for an adjudicated finish.

Kiosks: Each event has a triangular kiosk to act as a visible, central headquarters or buoy. As much as possible, all games for an event should be grouped near its kiosk. Except when an event is actually in progress, kiosks are located in Paradise Terrace in alphabetical order. GMs post brackets and alternate lists on the kiosks to notify players of their eligibility to advance to the next round. Even if you do not automatically qualify for the next round, you may advance as an alternate. If you qualify to advance but will decline the opportunity, scratch your name from the list. *Please do not write on the kiosk itself.*

Behavior: It is prohibited for bystanders to give information to any player or to hassle or otherwise distract a player. Those who violate this rule should be asked to cease and desist or leave the area. Anyone who does not respond to such requests or who becomes unruly will be removed by Hotel Security.

Laurels: Players automatically earn Laurels for placing in the top six places of any BPA-sanctioned tournament. Laurels are used as a scoring mechanism for BPA's Caesar and Consul awards. For each event, Laurels are calculated by multiplying the player hours level (1-6) by the finish rank points (1st/10 points, 2nd/6 points, 3rd/4 points, 4th/3 points, 5th/2 points, and 6th/1 point). More information is available online.

Team Tournament Point Schedule

Entrants	1st	2nd	3rd-4th	5th-6th
128+	10	5	4	3
64+	9	4	3	2
32+	8	3	2	1
16+	7	2	1	0
8+	6	1	0	0

Prizes: Winners of Trial and Juniors events receive a rectangular plaque. Century tournament winners receive a shield plaque, are highlighted in the Yearbook, and receive Centurion shirts. (There is a $5 postage charge to mail the shirts.) Players finishing in second through sixth places may receive plaques, based on the Prize Level of the event. Plaques are color-coded for place (blue/2nd, red/3rd, gray/4th, white/5th, and sand/6th). To claim a prize, bring your badge to New Holland. *Be aware that before any prize can be awarded, the GM must submit all tournament paperwork.*

Some publishers and GMs offer additional non-cash prizes for events. (See each event's Preview page at *boardgamers.org/yearbkex/* for details.) Any Laurelist who earns a plaque in a GMT event receives merchandise credits, ranging from $5 to $20. The amount escalates with the Prize Level of the event. Multi-Man Publications offers credits of $10 per Prize Level for medalists in all their events. Thus, a Level 6 event earns credits of $60/1st, $50/2nd $40/3rd, $30/4th, $20/5th and $10/6th.

Yearbook/Event Reports: Full Event Reports for all tournaments are available online. They document all players who finished in first through sixth place (i.e., Laurelists), winners from previous years, and more. The printed yearbook is also available online and copies are available for sale in New Holland while supplies last.

TEAMS: Teams are composed of any four players pre-registered as a team. Each team member must select a different event as his official game. Team members and games may change only during pre-registration. No changes may take place on-site. All Team Points are awarded automatically when the GM turns in the Winner's Claim for an event (see the Points Schedule). **A bonus point will be awarded to everyone who earns team points in an event that they have previously not won.** The team that gains the most points is the winner. The number of entrants in each team's events is the tie-breaker. Each member of the winning team receives a Team plaque and is memorialized on the website and in the Yearbook.

A self-service scoring system keeps onlookers updated as the convention proceeds. All Team members, whether scoring or not, should post their point totals on the kiosk Standings Board near Ballroom Foyer as soon as possible. Official scoring takes place after the convention.

JUNIORS/TEENS: Details about our program for ages 12 and under are on page 28. There are Teen Events for attendees ages 12-16 in Heritage on Wednesday through Saturday from 9 pm through 11 pm (with open gaming available there until midnight). A GM will run a different game each night.

GAME SALES: Vendors' booths in Ballroom A are open between 10 am and 6 pm from Friday through Sunday. (See our list of vendors online and on page 1.) Prior to that, consignment sales are available in Ballroom B Corridor from Decision Games, which serves as WBC's exclusive vendor Tuesday through Thursday. *Sale of items at WBC is strictly limited to licensed vendors and participants in the Auction and Auction Store.*

ANNUAL MEETING: We invite all members to attend our annual membership meeting on Tues., Aug. 5, at 3 pm in the Showroom.

ARMISTICE MEETING: The Sunday morning After Action Meeting in the Showroom allows members to talk about the conference just ended and pose questions for the future. We present our top annual awards.

Juniors & Teen Event Schedule

JR TEEN

WBC offers events exclusively for kids 12 and under. Participation is free to children accompanied by a BPA member. Before any Junior may use the Juniors facilities, a parent or guardian must accompany the child to Heritage to complete a consent form. In general, children should be able to read, be well behaved, and relate well with others. Any child who behaves inappropriately will be asked to leave. A library of games is available for use by Juniors (and Teens after 9 pm). The Teen program is available for youth ages 12 through 16. Teens over 12 must have a WBC badge. *All of these events take place in Heritage.*

HOW TO READ THE SCHEDULE: The schedule that starts on the facing page is a chronological listing of events by order of appearance. Seminars are listed in ***bold italic serif*** type. Non-gamng events, such as meetings, are listed in *italic san-serif* type. Demonstrations are listed in *italic serif* type and appear second in the hourly listing. Advanced rounds, such as Finals, are listed in **bold serif** type. Juniors and Teen Events are listed in san-serif type.

When more than one event starts at the same time, events are listed in the following order:

1. non-gaming events,
2. demonstrations,
3. events in their first round
4. events in an advanced round (*play restricted to those who qualify to participate in the round*), and
5. Juniors/Teen events.

An alphabetical list of events begins on page 21. Century events are listed in **bold** and Trial events are listed in ***italics***. The three-letter abbreviation for the event is at the front of the row. It is shaded and based on the Class of the event.

DATES: Abbreviations for dates are Mo: Monday, Tu: Tuesday, We: Wednesday, Th: Thursday, Fr: Friday, Sa: Saturday, Su: Sunday. Pre-Con indicates that events occur on the Saturday through Monday before WBC begins. Separate admission is required for Non-Tribune Members for all Pre-Cons. (All precons are included in Tribune membership.)

TIMES: Times in the chronological schedule are listed in standard 12-hour time. Times in the alphabetical schedule are listed in military time; e.g., 11 is 11 am and 13 is 1 pm. Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight or reconvene before 9 am without the consent of all remaining players.

HEATS/ROUNDS: "H1/3" indicates the heat number out of the total number of heats. "R1/6" indicates the round number out of the total number of rounds. Heats are multiple starts of an event's preliminary (qualifying) round. Players may play in as many heats as they wish, win or lose. Rounds usually require players to qualify to advance to the next round. Players who wish to drop-out even if they qualify for the next round should tell the GM. Players who wish to enter an event in an advanced round must have the permission of the GM. They usually reduce their chance of winning as a result of missing prior rounds. PC indicates an event that begins during the Pre-Con but ends during WBC proper.

QUARTER/SEMI/FINAL: Play is restricted to players who have qualified for these rounds. For "SF/F," the Final immediately follows the Semi-Final. Final rounds may be rescheduled by the GM for the mutual benefit of the finalists. Such rescheduling requires the agreement of ALL remaining players, otherwise the scheduled time is the default. Those who can't abide by it must forfeit.

PRIZE Level: 1, 2, 3, 4, 5 or 6 is the number of places receiving plaques; 2 through 6 are Century events.

CLASS: There are three classes of tournaments: **A: Experienced Players Only**—red/dark shading; rules are not taught before or during play; **B: Beginners Allowed**—yellow/light shading; game will be taught ONLY at the listed Demo time. For advanced rounds, the Class is A; **C: Coached**—green/medium shading; game will be taught during or just prior to event start in event location. For advanced rounds, the Class is A. *(D) Demo:* Unless otherwise indicated, all teaching sessions take place in Paradise Terrace at the listed Table #. For B Class Events, anyone new to a game must attend. For C Class Events, attending a scheduled demo places less stress on the GM and the event. If no one arrives for a demo within 15 minutes of the scheduled starting time, the demo is cancelled.

FORMAT: Check the Event Preview at *boardgamers.org/yearbkex*. The Event Preview contains the details about how the event will run, any special tournament rules, the number of players who qualify to advance, and any tie-breakers in use. Note that most events become SE during the advanced rounds. Any questions about format should be directed to the GM BEFORE the event begins. Standard tie-breakers apply to events run with heats. They are described on the GM Guidelines page and in event previews.

SE: Single Elimination—play until you lose one game.

SEM: SE with Mulligan Round—the Mulligan is an optional Round 1 that forgives losses. Winners advance directly to Round 2. Non-winners may play in Round 1 with no penalty.
