BPA is an association of boardgame enthusiasts incorporated as a non-profit company in the state of South Carolina for the express purpose of hosting the annual gaming conference known as the World Boardgaming Championships, or WBC as it is more commonly known. It offers tournaments, vendors, an auction, demonstrations, seminars, open gaming, and Junior programs. In addition, for those who can't get enough, we offer numerous focused Pre-Cons on the weekend before WBC. We also sponsor e-mail tournaments throughout the year, but our raison d'etre is WBC. We love boardgaming competition—from wargames and Eurogames to racing, sports, and rail games, and we make no apologies for it. It's what we do. And we take pride in doing it better than anybody else. To find out more about our activities spend some time on our website at www.boardgamers.org. You'll find more pre- and post-event information than anywhere else on the net—over 2,000 pages of it. It's not very lucrative or cost effective, but it demonstrates our commitment to this hobby.

You can help continue this madness by taking a moment to subscribe to our FREE e-mail newsletter via the web site or trade links with our Webmaster from your local club site. Finally, continue to spread the good news about our association and its activities by bringing your fellow gamers to the best week of pure gaming this year and every year!

Welcome to the 16th WBC. Assuming I am still standing, 2015 will be my 25th consecutive year at the helm of Avaloncon/WBC. Besides hinting that my stewardship of this endeavor is drawing to a close, that landmark coincides with the end of our second 5-year Lancaster Host contract. That has led to heightened interest in our future venue. Despite much wailing when WBC left Hunt Valley a decade ago, Lancaster has proven to be an excellent, if not perfect, fit for WBC. Steady growth and stable finances have ensued during boardgaming's turbulent reinvention amidst a national and global recession. The "affordability" factor of the Host has enabled us to offer and maintain the lowest prices in gaming and remain in the black... well, that and a cheapskate CD.

However, not everyone is enamored with this site, any more than they were with the last. No surprise there. I can't recall any aspect of WBC that draws universal acceptance. "You can't please everyone" remains as true today as it did for the original apologist. Even so, the vociferous and persistent noise surrounding the site, especially in the wake of the 2012 AC failure, has forced a renewed look at our priorities—even though the clamor for change appears to be a minority viewpoint.

Unlike the partisan politics on display all too often down I-95, we recognize that both sides have valid points. When it comes to relocating WBC, one can passionately argue the merits of affordability vs quality, airports vs population centers, length vs brevity and even regions, dates, *ad nauseum* without being wrong. No matter the decision, there will be both winners and losers with opinions to match the outcome. It all depends on which of the myriad factors that go into such a decision that you personally view as most important. If you live in the greater Philadelphia area, keeping it in Lancaster is paramount to you. If you're one of our many out-of-state members, that's not likely a concern.

All of which was background for an extended Board of Directors debate during the past year. The resulting opinions—always colorful to be sure—rendered a decision on our future course that will be announced at this year's Annual Meeting on Tuesday at 3 PM in Lampeter Hall. Please attend to give voice to your questions. As this could result in a prolonged meeting, these opening comments address the basic background of the decision in an effort to speed the process.

We started with the premise that WBC would remain in the mid-Atlantic region and confined our search to a 300-mile radius. We were aware of attractive opportunities in other regions, but decided that leaving the home turf of the majority of our GM cadre while invading the territory of other established conventions was a double negative not worth the risk.

We also had to consider whether we would continue to operate as an all inclusive conference welcoming both vacationers as well as daily guests. The latter adds to the cost as the facility must be able to handle the peak attendance—not just the average. To handle the extra seats on peak days, you must pay for space/tables that go unused outside that high tide. Moving to a smaller facility with a capped, but steady attendance for an entire week is more cost effective and guarantees that attendees do not suffer from shortages due to overcrowding. Such a pre-registrant-only format change is both more profitable and less stressful on the staff. However, since we've been catering to all tastes for so long, our membership survey not surprisingly was split between those who wanted a family destination for a full week vacation worthy of the travel commitment without disenfranchising those preferring a shorter stay. Easier said than done, but WBC has never been about profit. Instead, we again opted to have our cake and eat it too.

During this process we were inundated with suggestions from members that ranged from the local Motel 6 to \$300 per nite and up palaces—most of them located nearby the person making the suggestion. Most were dismissed after cursory examinations of the facilities and associated costs. However, our search yielded nine sites which fit our criteria and we set about visiting them. None were perfect. All were superior in one respect or another. We nonetheless entered serious negotiations with five and eventually visited the three finalists with all or a majority of the Board in tow. The decision was not reached until after WBC 2013 as we evaluated the Host's excellent performance in the wake of the 2012 disappointment. The end result was a near unanimous vote whose outcome will be announced on Tuesday.

Be there for all the details.

Don Greenwood

RULES: This year there will be added emphasis on always wearing your badge. No badges will be given out without a WBC badge holder in hand. Not back in the room or the car, but *in hand*. Do not ask. Also, please do not take library games out of the Showroom. WBC doesn't have many restrictions compared to other major conventions. Obeying the few rules we do have allows us to continue to offer you Library services with a minimum of fuss and the best admission bargain of any major gaming convention.

SCHEDULE: We offer many on-line scheduling resources at boardgamers.org to enhance your convention experience. The Host has free wireless internet connections to help you take advantage of these resources on site, but if reception fails you can always fall back on the numerous scheduling aids on our website if you had the foresight to download them. Android users can download a schedule app at <https://play.google.com/store/apps/details?id=org.boardgamers.wbc>. A colored version of this program is also available on line for those who appreciate the added ease of color-coded event schedules. Failing that, a visit to the Open Gaming focal point in the Showroom will always yield an updated view of our rotating on screen schedule with a by-the-minute countdown till the start of the next event. The printed program contains a painstaking alphabetical and chronological listing, but has a habit of walking away. We can't offer replacements lest we have none for later arrivals, so hold on to yours.

Lastly, always remember to obey our most important rule: relax and have fun. Winning is nice, but it pales in comparison to leaving the table with the respect of your peers. Treat everyone with the same respect that you want in return, and you'll be a winner in our eyes. Above all, for those who favor multi-player games, remember that everyone's move is theirs' alone to do with as they wish. You have no right to criticize another's play. If you feel a need to do so, we'd rather you took it elsewhere. Negotiation is an accepted part of multi-player gaming—harassment is *not*.

DATE/TIME: WBC begins at 9 am on Monday, August 4th, and runs through 6 pm on Sunday, Aug. 10th. Pre-Con activities kick-off at 9 am on Saturday, August 2nd.

FOOD/BEVERAGES: Lancaster Host prohibits outside food and beverage on the premises, but the hotel offers a wide variety of meal options, including fine dining at the Legends and Vista Restaurants and less formal fare at the Good Spirits lounge and Splash's pool bar and grille. You'll find daily lunch and dinner specials at the Chef's Marketplace in the Ballroom Foyer from noon through 2 pm and 6 through 9 pm, beginning Monday evening and running through Saturday. There is also lite fare throughout the day from 9 am to 9 pm, including breakfast sandwiches. See the menu on the back cover.

SMOKING: Smoking is not allowed in any public area, including the adjoining hallways. Opening windows or doors is prohibited. Repeat offenders will be ejected without refund.

MEMBERSHIP: The WBC is run by the Boardgame Players Association (BPA). Sponsor- and Tribune-level membership includes admission to WBC and all its Pre-Con events. Sustaining membership provides admission to all of WBC except Pre-Cons. Multi-day General Admission to WBC grants Membership in the BPA, which is required for participation in Play-By-e-Mail (PBeM) tournaments. Those who attend the convention via a one-day Guest Pass are NOT BPA members and therefore not entitled to vote in BPA elections or play in our PBeM tournaments. For details on membership terms and conditions, see boardgamers.org/bpaterms.htm.

REGISTRATION: Pre-registration is inherent in BPA membership and is non-refundable. It saves a minimum of \$20 off walk-on rates and speeds check-in. Pre-registration ends on June 30th. On-site registration commences daily at 8 AM in the New Holland room on Saturday, August 2nd and continues through Saturday, August 9th, closing daily at 9 PM and for meal breaks. Badges are NOT given out until the day they are valid. Registration for WBC costs \$100 at the door. (Pre-Con costs are additional.) Costs are reduced \$10 per day as the Conference proceeds. One-day Guest badges are available for play on a designated day. Registration is required for Open Gaming. Children 12 and under who participate only in Junior Events are admitted free if accompanied by a paying adult.

BADGES: Attendees must display their badges at all times to participate in Open Gaming and tournament play and to buy or sell at the auction. Badges contain the following information: ❶ badge number; ❷ laurels earned in the previous year; ❸ total laurels earned; ❹ duration of stay; ❺ team number; ❻ team game; and ❼ team name. Bring a WBC badge holder from a previous year or pay \$2 to obtain one. Security may eject those who do not display their badge.

OPEN GAMING: Official Open Gaming begins at 9 am on Monday in the Showroom. Open Gaming will be augmented by use of both ballrooms on Tuesday only and in the Expo Center during peak attendance periods. Be sure to vacate the ballrooms by 5:30 when those rooms return to scheduled tournament use. Tables designated for Open Gaming must be in active use for that purpose. Games may not be left unattended whether setup or not. This is not a display area. Sales solicitation or commercial signage is not allowed. Games left unplayed will be removed to Lost & Found. Tables may not be reserved for later use. Report any problems to our **red-capped** monitors. *Open Gaming may not spread into designated tournament areas at any time!*

GAMEMASTERS: A GM's authority is unquestioned in his or her tournament. Any player who disagrees with a GM's ruling has the right to request a ruling by majority opinion of the GM and the GM's two designated assistants. Beyond that, there is no appeal (not even to the Convention Director), and no dissension will be tolerated.

TOURNAMENTS: WBC is renowned for its quality tournaments. Most events have unlimited entry, although some multi-player

games require even multiples of players. If you are present at the starting time with a badge *and a copy of the game*, you will usually get a spot in the event. You may play without a copy of the game only if sufficient copies are provided by others to accommodate you. *Bring a copy of the games you want to play if possible!*

Scheduling: Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight or reconvene before 9 am without the consent of all remaining players except designated night ending events that play until conclusion (*Slapshot, Liar's Dice, Pro Golf, Can't Stop* and *King of Tokyo*). Some events will accommodate late arrivals. Inquire with the GM if you have questions. Finals may be rescheduled by the GM at the mutual convenience of the finalists, with the printed default time used if all players cannot agree on a mutually beneficial time.

Attendees are encouraged to play in as many events as they wish. *Do NOT, however, play in more than one event simultaneously! Further, do not drop out of a multi-player game before it is finished.* If an event is approaching its scheduled time limit and you wish to leave, ask for an adjudicated finish.

Forfeitures: You may drop out of any tournament between rounds but please inform the GM in advance and realize that doing so disqualifies you from any prize/laurel considerations you would have otherwise won. In other words, a player may not decline advancement to a 5-player Final and still claim sixth place.

Kiosks: Each event has a triangular kiosk to act as its central headquarters. All games for an event should be grouped near its kiosk. Except while an event is actually in progress, kiosks should be returned to Paradise Terrace in alphabetical order to aid players checking on their status. GMs post brackets and Alternate lists on the kiosks to show advancement eligibility. Even if you do not qualify for the next round, you may be able to advance as an Alternate as qualifying no-shows are commonplace. If you qualify to

advance, but decline the opportunity, scratch your name from the list. Please do not write on the kiosk itself.

Behavior: It is prohibited for bystanders to comment, or give information to any player or to hassle or otherwise distract a player. Those who do will be asked to leave. Anyone who does not respond to such requests or who becomes unruly will be removed by Hotel Security.

Laurels: Laurels are a scoring mechanism for BPA's Caesar and Conch Awards. Players earn laurels for placing in the top six places of any BPA-sanctioned tournament. For each event, laurels are calculated by multiplying the player hours level (1-6) by the finish rank points (1st/10 points, 2nd/6 points, 3rd/4 points, 4th/3 points, 5th/2 points, and 6th/1 point). Thus, a Level 6 event earns 60/1st, 50/2nd 40/3rd, 30/4th, 20/5th and 10/6th. More information is available at boardgamers.org/laurels.htm.

Prizes: Winners of Trial and Junior events receive a rectangular plaque. Century tournament winners receive a shield plaque and option to acquire a Centurion shirt. Players finishing in second through sixth places may receive plaques, based on the Prize Level of the event. Plaques are color-coded for place (blue/2nd, red/3rd, black/4th, white/5th, and sand/6th). To claim a prize, bring your badge to New Holland before departure. *Before any prize can be awarded, the GM must submit all tournament paperwork.*

Some publishers and GMs offer additional non-cash prizes for their events. (See each event's Preview page at boardgamers.org/yearbex/.) Any laurelist who earns a plaque in a GMT event receives merchandise credits, ranging from \$5 to \$20. The amount escalates with the Prize Level of the event. Multi-Man Publishing offers credits of \$10 per Prize Level for medalists in all their events.

Yearbook/Event Reports: Full Event Reports for all tournaments are available online at boardgamers.org/yearbook. They document all players who finished in first through sixth place (i.e., Laurelists), winners from previous years, and more. The printed yearbook is also available online and copies are for sale in New Holland while supplies last.

TEAMS: Four players must be pre-registered as a team by July 20 and each have a different team game. Teams and games may not be altered onsite. Team Points are awarded automatically based on the results of individual events (see the Points Schedule). **A bonus point is awarded to everyone who earns team points in an event that they have previously not won.** A self-service scoring system keeps onlookers informed during the convention. All Team members, whether scoring or not, should post their point totals on the kiosk Standings Board near Ballroom Foyer as soon as possible. Official scoring takes place after the convention. Each member of the winning team receives a Team plaque.

JUNIORS: Details about our program for ages 12 and under are on page 33.

GAME SALES: Vendors' booths in Ballroom A are open between 10 am and 6 pm from Friday through Sunday. (See our list of vendors online and on page 1.) Prior to that, consignment sales are available in Ballroom B Corridor from Decision Games, which serves as WBC's exclusive vendor early in the week. *Sale of items at WBC is strictly limited to licensed vendors.*

ANNUAL MEETING: We invite all members to attend our obligatory annual membership meeting on Tuesday, Aug. 5, at 3 pm in Lampeter Hall—prior to the collectibles portion of the Auction.

ARMISTICE MEETING: The 8 am Sunday morning After-Action Meeting in the Showroom allows members to discuss the conference just ended and pose questions for the future in more detail than is available during the Annual Meeting. We present our top annual awards at this time.

HOW TO READ THE SCHEDULE: The schedule that starts on page 9 is a chronological listing of events by order of appearance. Junior Events are listed first, highlighted by a **JD** symbol and are in **green**. *Open Gaming, including Scheduled Open Games (SOG), and other non-tournament games are listed in orange. Non-gaming events, such as meetings, registration, and the auction, are listed in blue. Seminars are listed in purple. Demonstrations are listed in black, italics. Advanced rounds that require prior qualification, such as Finals, are listed in red.* "PC" indicates that an event is part of a Pre-Con and is limited to Tribune members or those with a badge good for that particular "PC" day.

When more than one event starts at the same time, non-tournament events are listed first, followed by tournaments—both in alphabetical order. An alphabetical list of tournaments begins on page 26.

DATES: Abbreviations for dates are Mo: Monday, Tu: Tuesday, We: Wednesday, Th: Thursday, Fr: Friday, Sa: Saturday, Su: Sunday. "PC Saturday" or "PC Sunday" indicates that events occur on the Saturday or Sunday before WBC begins. Separate admission is required for Non-Tribune Members for all Pre-Cons.

TIMES: Times are listed in military time; e.g., 11 is 11 am and 13 is 1 pm. Tournament play commences at the scheduled times for each event and may run past midnight. No event may start a round after midnight (exception: our five night enders) or reconvene before 9 am without the consent of all remaining players.

HEATS/ROUNDS: "H1/3" indicates the heat number out of the total number of heats. "R1/6" indicates the round number out of the estimated total number of rounds. A "-" instead of a "/" in the Round listing indicates that the rounds are continuous, starting immediately after the end of the preceding round. Heats are multiple starts of an event's preliminary (qualifying) round. Players may play in as many heats as they wish, win or lose. Rounds often require players to qualify to advance to the next round. Players wishing to withdraw even

if they qualify for the next round should inform the GM. Players who wish to enter an event in an advanced round must have the permission of the GM. "PC" indicates an event that begins during the Pre-Con but may end during WBC proper.

QUARTER/SEMI/FINAL: Play is restricted to players who have qualified for these rounds. For "SF/F," the Final immediately follows the semifinal. Final rounds may be rescheduled by the GM for the mutual benefit of the finalists. Such rescheduling requires the agreement of ALL remaining players without pressure to do so, otherwise the scheduled time is the default. Those who can't abide by it must forfeit. Players who fail to appear for advanced rounds forfeit any claim on prizes or laurels that pass instead to those who advance in their place.

PRIZE Level: 1, 2, 3, 4, 5 or 6 is the number of places receiving plaques; 2 through 6 are Century events.

CLASS: There are three classes of tournaments:

A: Experienced Players Only—red Kiosks; rules are not taught before or during play;

B: Beginners Allowed—yellow kiosks; game will be taught ONLY at the listed Demo time. For subsequent rounds, the Class is A; **C: Coached**—green kiosks; game will be taught during or just prior to event start in event location. Once past the Preliminary round, the Class is always A.

DEMO/PREVIEW: All teaching sessions take place in Paradise Terrace at the listed Table #. For B Class Events, anyone new to a game must attend. For C Class Events, attending a scheduled demo places less stress on the GM and the event. If no one arrives for a demo within 15 minutes of the scheduled starting time, the demo is cancelled. This year, *Previews* and Scheduled Open Gaming have been added to the demo area. Previews are demos without a corresponding event; designers showing their upcoming games either as an adjunct to anticipated Kick Starter campaigns or extended playtesting opportunities. Doing so in the Demo area allows us to relieve pressure on the Open Gaming area while at the same time benefitting everyone with scheduled opportunities to gather players without tying up tables trolling for interest.

SCHEDULED OPEN GAMING: SOG makes use of the demo tables in Paradise Assembly during down times to allow players to schedule multi-player Open Gaming opportunities which actually get listed in the convention schedule and have supporting signage and a reserved table provided they have made the request before June. To reserve a place in the referenced game, you should list your badge number in the game's sign-up block on the yellow Schedule kiosk for that table in Paradise assembly.

FORMAT: Before playing an event, check the Event Preview at boardgamers.org/yearbkex or the event kiosk. The Event Preview contains the details about how the event will run, any special tournament rules, the number of players who qualify to advance, and any tie-breakers in use. Most events become SE during subsequent rounds. Any questions about format should be directed to the GM BEFORE the event begins. Standard tie-breakers apply to events run with heats. They are described on our website's GM Guidelines page and in event Previews.

FF: Free Form—Contact GM at the listed times for flexible scheduling.

SE: Single Elimination—play until you lose one game.

SwEl: Swiss Elimination—play all preliminary rounds; qualifiers advance to SE rounds.

SEM: SE with Mulligan Round—the Mulligan is an optional Round 1 that forgives losses. Winners advance directly to Round 2. Non-winners may play again in the regularly scheduled Round 1 with no penalty.

SWISS: Play all rounds paired against those with same record.

HWO: Heat Winners Only—enter any number of preliminary heats; winners only advance to next round.

HMW: Heats Most Wins—enter any number of heats; qualifiers advance to SE rounds; first tiebreaker is most wins (e.g., total in all heats entered). The remaining tiebreakers are 2) win in first Heat entered; 3) win in second Heat entered; 4) win in third Heat entered; 5) win in fourth Heat entered; 6) GM specific tiebreaker, provided it has been clearly described in

the Event Preview; 7) average finish in all heats entered (e.g., a 2nd and two 3rds = 2.67 and beats two 2nds and two 4ths = 3); and 8) high dice roll.

HMWG: Heats Most Wins GM—enter any number of heats; qualifiers advance to SE rounds; first tiebreaker is most wins; GM specifies other tiebreakers.

HSW: Heats Single Win—enter any number of preliminary heats; qualifiers advance to SE rounds; first tiebreaker is win in first heat entered. The second tiebreaker is 2) Most Wins (e.g., total in all heats entered). The third through eighth tiebreakers are the same as HMW.

HMSE: Heats Multiple SE—each heat is played SE in continuous rounds to determine one winner who advances to the next round.

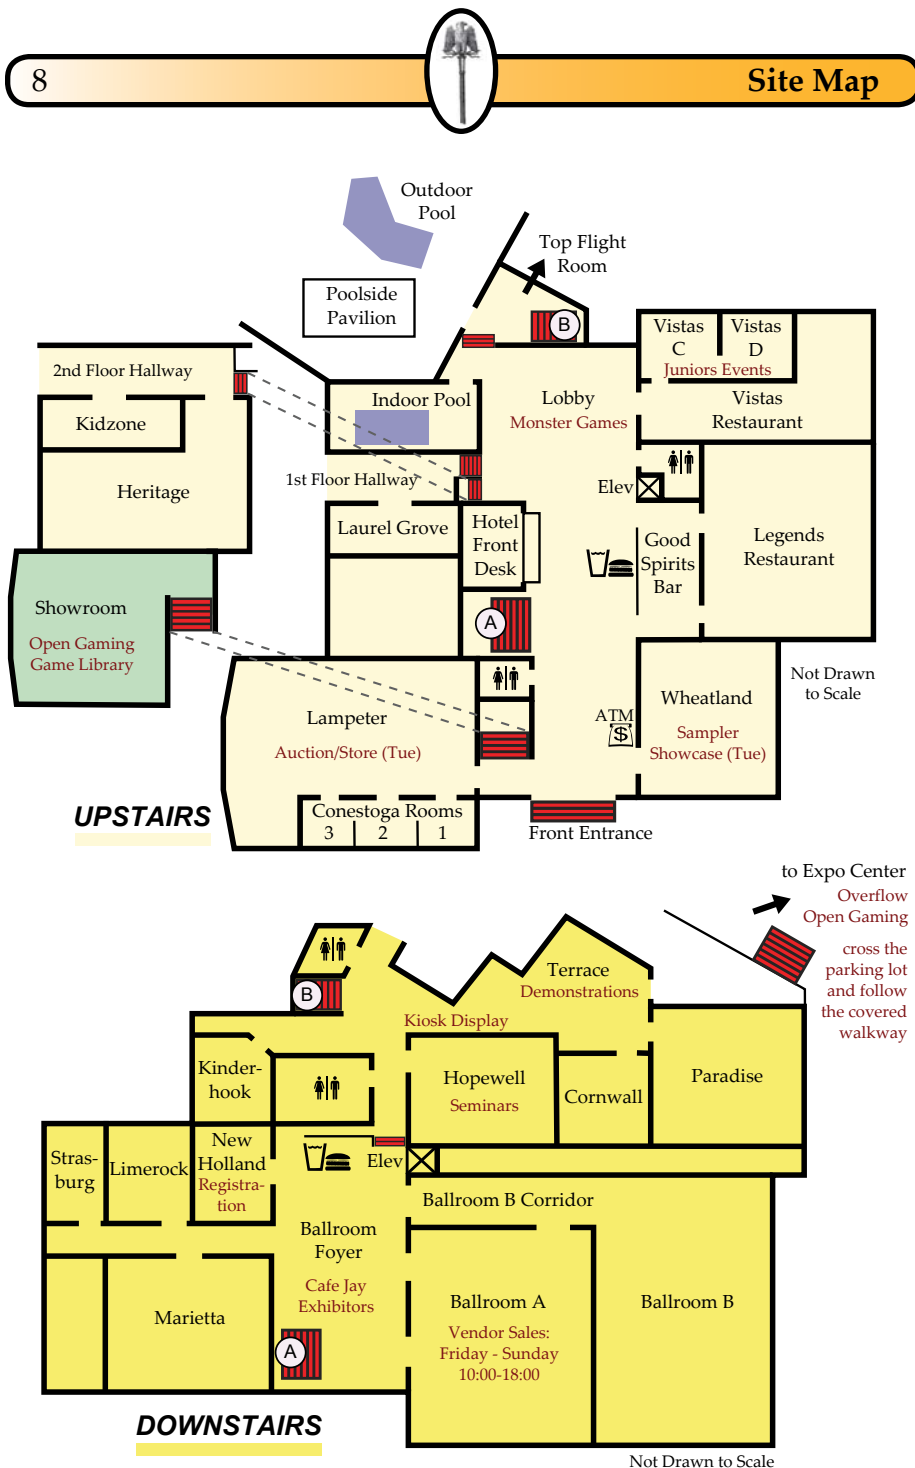

SOG: Scheduled Multi-Player Open Gaming. The number of possible players is indicated by a number followed by "P" after the name of the event.

Preview: Non-event demonstration.

LENGTH: The duration of the event in hours. Round lengths are rounded up to the next hour. **Actual allowed playing time is determined by the GM and should always be less than the scheduled period.**

CONTINUOUS: If "(c)" appears in the Length column, the event continues immediately into the next round upon completion of a round. The only interruption is at midnight, when rounds continue the following morning at 9. GMs may grant breaks between rounds of no more than one hour, but only if the event is on schedule and such breaks are applied uniformly for all entrants, such that each round starts and ends simultaneously (e.g., some players may not be allowed a break that allows them to trail the rest of the field and delay the tournament).

LOCATION: A map—displaying a multi-level floorplan of the Lancaster Host—is located on page 8. GrogardCon Pre-Con events shift from Heritage to Conestoga 1 beginning at 9 am on Wednesday. Otherwise, continuous round Events start again the next day in the same room unless listed elsewhere in the schedule.

BPA GAME LIBRARY: Though the emphasis at WBC is on tournaments, our space dedicated to Open Gaming continues to expand. The 13,000 sq ft tiered dinner theatre in the Showroom will serve as the Open Gaming center from Monday through Sunday featuring a revolving, updated-to-the-minute projected schedule of upcoming events, and an enlarged BPA Game Library at center stage.

Thanks to the generosity of leading publishers and Alliance Distributors, the Showroom Open Gaming area provides free use of the Game Library from Monday through Saturday. BPA thanks these publishers for their recent game donations (made by press time): **Academy Games, Alliance Distributors, Days of Wonder, Flying Buffalo, Inc, Doctor Finn's Games, Griggling Games, Paul Koenig Games, Red Raven, Rio Grande Games, and Stronghold Games.**

Abide the following rules to protect this valuable resource:

1. Complete the *entire* checkout sheet from the clipboard of the table you got the game from whenever you sign a game IN or OUT.
2. Borrow only one game at a time. When not in use, check games back into the library at the same alphabetically-arranged table using the appropriate line on the check-out sheet.
3. Library games are *not* to leave the Showroom unless reserved by a GM for a tournament. GMs should return games when their event no longer requires them.
4. Return games in the same condition with pieces properly separated and sorted.
5. The library will be unavailable Sunday so that it can be inventoried and stored. Return all Library games by midnight Saturday.
6. The library closes at midnight. Return games by midnight daily. If past midnight, sign the game back in and place behind the monitor table. Do *NOT* borrow additional games once the library has been covered for the night.
7. If a game is missing components note that on the clipboard when you check it back in and refer the game to a red-capped monitor to remove from inventory until the problem is corrected.

OPEN GAMING ETIQUETTE: Red-capped Open Gaming monitors are on duty in the Showroom from 9 am - Midnight to assist you. Please obey them.

- Open Gaming occurs in the Showroom Monday through Sunday and in Ballrooms A & B on Tuesday only until 5 pm. Overflow round tables are available in the Expo Center from Wednesday through Saturday. There is NO Open Gaming allowed during the Pre-Con.
- Open Gaming requires a visible, current WBC badge at all times.
- Saving tables or soliciting sales (including commercial signage) is not allowed. Tables are for playing games – not storage.
- A “parking ticket” will be issued to any occupied table where gaming is not taking place. If the offense is still present one hour later, the contents will be “towed” to Lost & Found in New Holland. We assume no liability for disorganized or missing components of “towed” games.

Juniors Event Schedule

WBC offers events exclusively for kids 12 and under in the Vistas CD room.

Participation is free to children accompanied by a BPA member. Before any

Junior may use the Juniors facilities, a parent or guardian must accompany the child to Vistas CD to complete a consent form. In general, children should be able to read, be well behaved, and relate well with others. Any child who behaves inappropriately will have to leave. BPA provides adult Juniors Room Monitors who have experience working with children who will supervise the Juniors room during Juniors hours. Laurie Wojtaszczyk is in charge of the Juniors Room and she is assisted by Joanne Melton and Crystal Shipley. Regardless, WBC and its GMs assume no responsibility for keeping track of your child's whereabouts before, during or after any Junior event. There is no substitute for parental supervision.

A plaque is awarded to the winner of Juniors tournaments. Whenever possible, please send Juniors with copies of the games they will play in order to ensure that there are enough copies to allow everyone to play. A library of games is available for use by Juniors but does not guarantee enough copies for events.

BPA's Auction and Auction Store are services for our members who want to sell or buy long-out-of-print games. The Store will be on the right side of Lampeter Hall, next to the Auction. Thus, it will be possible to check out the Store during the Auction without missing any of the bidding for games in the auction itself. *All items for sale in both the Auction and Auction store must be pre-registered.*

SCHEDULE: As much as possible, the auction staff will follow the printed schedule and group auction offerings by theme. *The Boardgame Player's Association Annual Meeting will take place at 3 pm, when the Wargame portion of the auction is over. Immediately after the conclusion of the meeting, the remainder of the auction will take place. Auction store prices will change at noon and 2 pm.*

AUCTION BUYERS: Bidding is limited to those with a current WBC badge. Every bidder needs an official Bid number. They are \$1 each, non-refundable, and will be available 10 minutes prior to (and during) the auction from the Auction staff in Lancaster Showroom. All bids must be in \$1 increments. Auctions proceed quickly, so bid loud and clear. If the auctioneer can't see or hear you, it's your fault. The auction staff will be bidding as well. Please feel free to bid against them.

ITEM DESCRIPTION: Lots offered for sale will be defined by the seller as being in one of the physical condition categories: *Shrink wrapped, Unpunched But Opened/Complete, Punched Complete, Punched No Idea As To Completeness, Punched and Missing, Other.*

CAVEAT EMPTOR! (BUYER BEWARE): We do our best to accurately describe items up for bid, but we are not responsible for mistakes

or missing components. Buyers agree to hold BPA and its auction staff harmless in the event of disputed merchandise. All sales are final!

CASH ONLY: When you win or purchase an item you must come forward to pay the cashier and claim your purchase immediately. *We do not accept checks or credit cards.* Buyers who fail to complete their purchases promptly in the view of our cashier will forfeit the item.

TABS: *Tab*s are only available by special arrangement with the head auctioneer and will require a non-refundable cash deposit, which will be credited towards purchases; unused balances are lost. See the head auctioneer **PRIOR** to the start of the auction. All Tabs must be settled, in **CASH**, immediately after the auction. Any questions pertaining to this policy should be directed to the auctioneer at auction@boardgamers.org.

UNSOLD ITEMS: Sellers must pick up any unsold items between 4 and 5:30 pm on Tuesday, Aug. 5. After that, unsold items will be in at Convention Registration New Holland. If unclaimed by 12 PM, Sun., Aug. 10, those items become the property of BPA.

SELLER PAYOUT: Sellers are responsible for collecting their proceeds and unsold items promptly. Auction Store Sellers receive the sales price minus an amount determined by the fee schedule. Auction Sellers receive 85% of the sales price, rounded to the nearest dime. Payouts by check will be available from Convention Registration in New Holland by showing badge and identification number by noon on Thurs., Aug. 7, and will remain available during registration hours. Amounts unclaimed by 12 pm on Sun., Aug. 10, are forfeit to the BPA.

WAR DIARY

A new wargaming magazine, but decidedly old-school in our approach.

We don't publish any games, but then don't you already pay enough for games you may never play?

Published quarterly, each issue of *War Diary* features articles on military history, game play and variants, game reviews, commentary, and insight from game designers and developers.
